

## Atlanta JA School/Business Partnership of the Year Award

Each year, Junior Achievement of Georgia honors a relationship between a school and business that represents an ideal bridge between the education and business communities. This award is in recognition of work done during the 2008/2009 school year. The award is open to relationships between schools and either companies or civic organizations (such as Kiwanis, Rotary, etc). Nominations must be submitted to Rebecca Stoll by November 16, 2009.

### The JA School/Business Partnership of the Year:

- Has been in existence and working with Junior Achievement for at least two years
- Actively engages volunteers in service to the school both through JA programs and other initiatives
- Is actively supported by both the volunteers and teachers
- Has a high volunteer retention rate, with many volunteers returning year after year to participate in JA programs

JA of Georgia will recognize the winning school/business partnership on its website, send an announcement to the school and businesses' local media and share the award with the superintendent of the teacher's school district. The JA School/Business Partnership of the Year will also be recognized in JA of Georgia's annual JA Atlanta Business Hall of Fame insert in the Friday, March 12<sup>th</sup>, 2010, edition of the Atlanta Business Chronicle. Representatives from both the school and business in the selected JA School/Business Partnership of the Year are invited to attend the black tie gala on Saturday, March 13<sup>th</sup>, 2010. The gala is attended by approximately 450 of Atlanta's top business executives and leaders.

JA of Georgia is excited and proud to partner with so many dynamic schools and businesses. To nominate an outstanding school/business partnership, please visit the JA of Georgia website at [www.georgia.ja.org](http://www.georgia.ja.org). **Nominations are due to Rebecca Stoll – [rstoll@georgia.ja.org](mailto:rstoll@georgia.ja.org) or fax to 404.843.3194 – by November 16, 2009.**
